

Table 6. Plant species on the Disney Wilderness Preserve that are state listed (Florida Department of Agriculture and Consumer Services) or rare (as identified by Florida Natural Areas Inventory).

Common name	Scientific name	State listing status	FNAI ranking	Habitat
Manyflowered grasspink	<i>Calopogon multiflorus</i>	Endangered	G2G3, S2S3	Pine flatwoods
Drysand pinweed	<i>Lechea divaricata</i>	Endangered	G2, S2	Oak scrub and scrubby flatwoods
Florida milkvine	<i>Matelea floridana</i>	Endangered	G2, S2	Mixed hardwood forests, hammocks
Fallflowering ixia	<i>Nemastylis floridana</i>	Endangered	G2, S2	Wet flatwoods, prairies, marshes, hammock edges
Cutthroatgrass	<i>Panicum abscissum</i>	Endangered	G3, S3	Wet flatwoods, wet prairies, seepage slopes
Cardinal airplant	<i>Tillandsia fasciculata</i>	Endangered		Epiphytic; hammocks, swamps
Giant airplant	<i>Tillandsia utriculata</i>	Endangered		Epiphytic; hammocks, swamps
Pinewoods bluestem	<i>Andropogon arctatus</i>	Threatened	G3, S3	Pine flatwoods
Needleroot airplant orchid	<i>Harrisella porrecta</i>	Threatened		Epiphytic on trunk of trees and shrubs; hammocks, swamps
Nodding pinweed	<i>Lechea cernua</i>	Threatened	G3, S3	All types of scrub
Catesby's lily	<i>Lilium catesbaei</i>	Threatened		Wet pine flatwoods, savannas, pitcher plant bogs, seepage areas, wet ditches
Angularfruit milkvine	<i>Matelea gonocarpos</i>	Threatened		Edges of wet hammocks
Blueflower butterwort	<i>Pinguicula caerulea</i>	Threatened		Shady, moist pine flatwoods, bogs
Yellow butterwort	<i>Pinguicula lutea</i>	Threatened		Wet flatwoods, wet prairie
Yellow fringed orchid	<i>Platanthera ciliaris</i>	Threatened		Open, wet flatwoods, seepage areas, bogs, wet prairie; acidic soils
Rose pogonia	<i>Pogonia ophioglossoides</i>	Threatened		Open to partial shade, wet pine flatwoods, bogs, wet prairie, wet ditches; acidic soils

Table 6. (continued)

Common name	Scientific name	State listing status	FNAI ranking	Habitat
Giant orchid	<i>Pteroglossaspis ecristata</i>	Threatened	G2G3, S2	Open pine flatwoods, dry prairie, pastures
Leafless beaked ladiestresses	<i>Sacoila lanceolata lanceolata</i>	Threatened		Pine flatwoods, pastures
Hooded pitcherplant	<i>Sarracenia minor</i>	Threatened		Pine savannas, wet flatwoods and bogs; acidic soils
Northern needleleaf	<i>Tillandsia balbisiana</i>	Threatened		Epiphytic; cypress swamps, hammocks
Atamasco lily	<i>Zephyranthes atamasca</i>	Threatened		Moist flatwoods, wet pastures
Florida butterfly orchid	<i>Encyclia tampensis</i>	Commercially exploited		Epiphytic; swamps, bayheads, domes
Green-fly orchid	<i>Epidendrum conopseum</i>	Commercially exploited		Epiphytic; swamps, bayheads, domes
Cinnamon fern	<i>Osmunda cinnamomea</i>	Commercially exploited		Swamps, domes, bayheads; shaded wet areas
Royal fern	<i>Osmunda regalis</i>	Commercially exploited		Swamps, domes, bayheads; shaded wet areas
Chapman's skeletongrass	<i>Gymnopogon chapmanianus</i>		G3, S3	Dry to mesic pinewoods, scrub
